During my time at SSC, I was an average student who preferred to keep to myself. I managed to secure a 77% in my 10th grade exams. However, upon enrolling at Don Bosco Jr. College, I experienced a significant improvement in both my grades and knowledge, even without attending any additional classes or tuition. This college has provided me with a wonderful learning experience. I am immensely grateful to the teaching staff at Don Bosco Jr. College, Naigaon for their constant support, guidance, and motivation throughout my academic journey.
